

GROUP LEADERS DECLARATION

BEFORE YOUR VISIT:

It is the responsibility of the group leader/s to ensure that all necessary information is distributed to participants, such as what to bring, parental consent forms, etc. It is also the responsibility of the leader/s to collect and return to Youth Venture Project all participants' completed parental consent forms. Any participant who does not have a correctly completed form will not be able to take part in activities.

DURING YOUR VISIT:

Group leader/s **MUST** be present for the duration of the expedition, and group control and behaviour is their responsibility. In addition to this, group leader/s are in charge of the group at all other times, such as during breaks, travelling to or from the expedition, or whilst in local towns and villages.

Instructors are present for the purposes of ensuring the provision of safe and enjoyable activities for all participants, and are in charge of all technical and safety aspects throughout each expedition. We ask that all supervising adults co-operate with any request made by our instructors or staff.

Youth Venture Project reserves the right to:

- ask any participant to leave the activity or course if that person acts in any way that may endanger themselves or any other person. No refund will be due in this instance.
- cancel an activity session in its entirety if the instructor feels that group leaders are not in sufficient control of the group. No refund will be due in this instance.

GROUP LEADER'S DECLARATION - To be completed by all group leaders

I understand and accept the responsibilities of the group leader/s as set out above.
